Care to Live Greater With Greater Family Health

Greater represents access to more services and higher quality care.

Family supports the diverse patients we serve and the organizational structure we value.

Health emphasizes the future we envision for our patients and community.

Greater Family Health offers a comfortable, welcoming, inclusive and personal approach to health care for all. Our practitioners and staff will take the time to understand your physical, emotional and financial needs.

Our Services

From preventive care to chronic disease management, Greater Family Health is here to meet the health needs of each individual, as well as the entire family.

ADULT & SENIOR HEALTH

Chronic disease management, annual physicals, sick care and diagnostic testing

PEDIATRIC HEALTH

Well child care, sick care and immunizations

WOMEN'S HEALTH

Obstetrical care, gynecological care and free pregnancy testing

DENTAL SERVICES

Preventive and restorative services, from cleanings to specialized care

BEHAVIORAL HEALTH

Psychiatry, counseling/therapy and substance use disorder services

RISK-BASED HIV TESTING

We offer free and confidential rapid HIV testing services to high-risk populations.

Greater Health Care for All

Greater Family Health's mission is "to provide quality, affordable health care for all, including those without the ability to pay." That's why we work to eliminate barriers that may keep patients from accessing care.

Our Patient Support Services include:

TRANSLATION SERVICES

Our team speaks many languages, supported by professional translation services.

HEALTH BENEFITS ENROLLMENT

A certified professional helps you apply for benefits you may be eligible for.

CARE AND CASE MANAGEMENT

We understand the complexities of navigating health care and can help find additional care.

DISCOUNTED PHARMACEUTICALS

We participate in the federal 340B Drug Discount Program.

WE WELCOME MOST INSURANCES

Including PPO/HMO plans, Medicaid and Medicare Plans. Every patient below 100% of the Federal Poverty guidelines pays a nominal fee which covers lab testing.
